CONSOLIDATED LISTING OF IBM TIME & WEIGHING EQUIPMENT

Includes International Time Recording Co. & Computing Scale Company products and their follow-ons

Model/Type/ List Number	Item/Description
1-11	ITR casement window catch for burglar alarm
2-12	ITR casement window catch for burglar alarm
3-13	ITR round sliding bolt for burglar alarm
4-14 & 5-15	ITR square sliding bolt for burglar alarm
6-16	ITR Yale heavy duty bolt for burglar alarm
7	ITR square sliding bolt for burglar alarm
8	ITR window sash fastener for burglar alarm
9	ITR hook bolt for sliding doors for burglar alarm
10	ITR secondary clock series; square wooden case, round dial
10	ITR master clock
10G	ITR Greenwich time indicating clock; 24-hour dial
10M	ITR secondary clock; square wooden case, square dial
11	ITR secondary clock; square wood case, surface type
11	ITR master clock series; 120 beat, magnet wound mvmt.
11-S	ITR seconds beat secondary clock w/ wood case, round dial
12	ITR secondary clock series; round wood case, surface type
12	ITR master clock; self-regulating
13	ITR master clock series; 60 beat, magnet wound
13	ITR master program clock; metal disc type
14	ITR secondary clock series; round metal case, surface type
14	ITR master clock
14-S	ITR seconds beat secondary clock; round metal case
15	Dayton meat slicer
15	ITR master program clock
15	ITR paper tape series for Recordolock systems
16	ITR master clock series; 60 beat, motor wound, wht. driven
16	ITR secondary clock series; moisture- and fume-proof
17	Dayton meat slicer with pedestal
17	ITR secondary clock series; gauge type
17	ITR master program clock; metal disc type
17	ITR master program clock; paper tape model
18	ITR master time control series
19	IBM control unit series
19-02F	ITR "Locarno" ornamental secondary clock; mahogany, 5"
19-02G	ITR "Tambour V" ornamental sec. clock; wood, 5" silver
19-02H	ITR "Tambour VI" ornamental sec. clock; mahogany, 5" dial
19-02R	ITR "Tambour VII" ornamental sec. clock; wood, 5" dial

19-92E	ITR "Warwick" ornamental secondary clock; walnut, 5" dial
20	Dayton computing cheese cutter
20	Dayton fruiter scale
20	ITR master clock
20M	ITR secondary clock; wood case, double dial
21	ITR "Grandfather" master clock series; 60 beat, mag. wound
21	ITR secondary clock series; square wood, double dial
21-A	ITR secondary clock; square wooden case, double dial
21C & 21D	ITR chain suspension double dial secondary clock; sq. wood
22	Dayton safety meat slicer
22	ITR "Colonial" master clock series; 60 beat, magnet wound
22	ITR secondary clock series; round wood, double dial
22-A	ITR secondary clock; round wooden case, double dial
23	Dayton safety meat slicer
23	ITR "Parthenon" master clock series; 60 beat, magnet wound
24	ITR International master clock series; 60 beat, mag. wound
24-A & 24-B	ITR secondary clock; round metal case, double dial
24C & 24D	ITR chain suspension dual dial secondary clock; round metal
25	Dayton bread slicer
25	ITR master clock; magnet wound, self-winding
X-25	International industrial scale; 5 lbs.
27	IBM surface mounted clock; round dial, wire guard
27	Dayton safety bread slicer
30	ITR master clock
30-42S	ITR self-regulating secondary clock; sq. wood case & dial
31	ITR "Grandfather" master clock series; 60 beat, motorwound
31	ITR secondary clock series; square wood, semi-flush type
32	ITR "Colonial" master clock series; 60 beat, motor wound
32	ITR secondary clock; round wood case, semi-flush type
33	ITR "Parthenon" master clock series; 60 beat, motor wound
34	ITR International master clock series; 60 beat, motor wound
34	ITR secondary clock series; round metal case, semi-flush
35	ITR master clock; motor wound
35	ITR gymnasium clock with wire mesh
37	ITR master time control; radio-supervised
38	ITR ornamental secondary clock; octagonal
39	ITR ornamental secondary clock; Corinthian
40	ITR wood case secondary clock; dual dials
40	ITR seconds beat clock; 12" dual dials, wood case
40-S	ITR metal case secondary clock; single dial
40-S	ITR seconds beat secondary clock; wood case, dual dials
41	ITR secondary clock
42	ITR round marble dial for secondary clock
43	ITR square marble dial for secondary clock

44	
44	Dayton Safelectric slicer
	ITR ornamental moulding rings for secondary clock dials
45 & 46	ITR skeleton dial secondary clock series
47	Dayton gravity fan-type scale; 10 lbs. fruit, butter, tea, coffee
47	ITR secondary clock; surface type, single dial
48	ITR secondary clock; flush type, single dial
49	ITR secondary clock; double dial
50	ITR ornamental 3- or 4-dial bracket clock
50	ITR secondary clock
X-50	International industrial scale; 70 lbs.
51	ITR secondary clock; semi-flush, weatherproof
51	ITR weather proof dial series; 18", 24", 30", 36", 42" 48"
54	ITR secondary clock series; metal case, narrow rim
55	IBM secondary clock; round dial
56	IBM secondary clock; round dial
56-45	IBM electronic 24-hour indicating clock
57	IBM secondary clock; round dial
57-45	IBM synchronous wired 24-hour indicating clock
60	IBM secondary clock for surface mounting; square dial
61	IBM secondary clock for surface mounting; square dial
62	IBM secondary clock for surface mounting; square dial
64	IBM double dial secondary clock
65	IBM sec. clock for wall or ceiling mounting; round dial
66	IBM sec. clock for wall or ceiling mounting (top); round dial
66-45	IBM electronic 24-hour indicating clock
67	IBM sec. clock for wall or ceiling mounting (top); round dial
67-45	IBM synchronous wired 24-hour indicating clock
74	Dayton hardware & industrial computing scale; 110 lbs.
	Dayton counting scale (hanging)
74	ITR secondary clock; wall-mounted, semi-flush
75	Dayton computing scale; 100 lbs. (ex-Detroit Automatic)
75	IBM secondary clock for semi-flush mounting; round dial
76	IBM secondary clock for semi-flush mounting; round dial
76-45	IBM electronic 24-hour indicating clock
77	IBM secondary clock for semi-flush mounting; round dial
77-45	IBM synchronous wired 24-hour indicating clock
80	IBM secondary clock; semi-flush mounting, square dial
81	IBM secondary clock; semi-flush mounting, square dial
82	IBM secondary clock; semi-flush mounting, square dial
85	Dayton computing scale; gravity fan type, 30 lbs.
85	IBM sec. clock for wall or ceiling mounting (side); round
85	IBM double dial indicating clock; impulse self-regulating
86	IBM sec. clock for wall or ceiling mounting (side); round
86	IBM double dial indicating clock; electronic self-regulating

86-45	IBM electronic 24-hour indicating clock
87	IBM sec. clock for wall or ceiling mounting (side); round
87	IBM double dial indicating clock; synch. self-regulating
87-45	IBM synchronous wired 24-hour indicating clock
88	Dayton automatic thermostat; drum type, 10 lbs.
88	IBM double dial synch. motor non-self regulating
90	IBM synchronous motor-regulated master time control
91	ITR master time control series
91-2	IBM master time control
91-4	IBM master time and program control
91-5	IBM synchronous program control
91-9	IBM master time & program signal control
111	ITR daily recorder card
115	Dayton hanging scale. (Same as No. 144)
116	IBM aluminum separately applied markers for tower clock
117	IBM cast aluminum translucent dial for tower clock
118	IBM cast aluminum translucent dial for tower clock
119	IBM aluminum skeleton dial for tower clock
120	Dayton scale; automatic even balance, 2 lbs.
121	Dayton scale; automatic even balance, 1 or 2 lbs.
126	IBM bronze separately applied markers for tower clock
127	IBM cast bronze translucent dial
128	IBM cast bronze translucent dial
129	IBM bronze skeleton dial for tower clock
133	Dayton computing scale; 12 or 15 lbs.
138	Dayton Moneyweight scale; barrel type, 14 kg cap.
143	Dayton automatic parcel post scale
144	Dayton computing scale; 15 or 24 or 30 lbs., w/fish pan
145	Dayton parcel post & express computing scale; 70 lbs.
146	Dayton Moneyweight scale; 14 kg capacity, barrel type
166	Dayton scale for candies & spices
167	Dayton computing scale; 3 or 5 lbs.; candy, spice & tobacco
167	Dayton postal scale with flat bottom tray & postal chart
220	ITR master clock; hanging, 120 beat
221	Dayton non-computing scale; auto. even balance, 1-2 lbs.
222	ITR daily recorder card
230	ITR master clock; hanging, 72 beat
240	ITR master clock; hanging, 60 beat
250	ITR master clock; hanging, 60 beat
260	ITR master clock series
280-5	ITR electric program device
X-300	International industrial scale; 6 lbs., fan type
310	ITR secondary clock series; square wood
320	ITR secondary clock; wood case, round dial

330 ITR secondary clock series; octagon, wood 344 Dayton computing scale; 15-30 lbs. 350 ITR secondary clock series; round metal 356 Dayton computing scale; short column, 15-30 lbs. 360 ITR secondary clock series; gauge type 370 ITR secondary clock series; gauge type 370 ITR secondary clock series; marble dial 380 ITR secondary clock series; skeleton dial X-400 International industrial scale; 10 lbs. 490 ITR electric program & secondary control equipment series X-500 International industrial scale; 40 lbs. 514 ITR card time recorder 544 Dayton porcelain scale 545 Dayton porcelain scale 546 Dayton computing scale, short column; 15-30 lbs. 555 Dayton computing scale, short column; 15-30 lbs. 556 Dayton computing scale, short column; 15-30 lbs. 556 Dayton computing scale; condary clock movement 561 - 563 565 ITR ratchet and pawl type precision secondary movement 565 ITR seconds beat movement 566 ITR bouble motor drive movement
346 Dayton computing scale; 15-24-30 lbs. 350 ITR secondary clock series; round metal 356 Dayton computing scale; short column, 15-30 lbs. 360 ITR secondary clock series; gauge type 370 ITR secondary clock series; marble dial 380 ITR secondary clock series; skeleton dial X-400 International industrial scale; 10 lbs. 490 ITR electric program & secondary control equipment series X-500 International industrial scale; 40 lbs. 514 ITR card time recorder 544 Dayton porcelain scale 546 Dayton porcelain electric computing scale; 15-30 lbs. 554 Dayton electric scale 561 563 ITR ratchet and pawl type precision secondary movement 564 ITR polarized secondary clock movement 565 ITR double motor drive movement 566 ITR double motor drive movement 567 ITR seconds beat movement series 568 IBM tower clock movement 569 IBM tower clock move
350 ITR secondary clock series; round metal 356 Dayton computing scale; short column, 15-30 lbs. 360 ITR secondary clock series; gauge type 370 ITR secondary clock series; marble dial 380 ITR secondary clock series; skeleton dial X-400 International industrial scale; 10 lbs. 490 ITR electric program & secondary control equipment series X-500 International industrial scale; 40 lbs. 514 ITR card time recorder 544 Dayton porcelain scale 546 Dayton computing scale, short column; 15-30 lbs. 554 Dayton computing scale, short column; 15-30 lbs. 555 Dayton electric scale 561 563 ITR ratchet and pawl type precision secondary movement 564 ITR polarized secondary clock movement 565 ITR single motor drive movement 566 ITR double motor drive movement 567 ITR seconds beat movement series 568 IBM tower clock movement 592 Toledo porcelain scale 601 ITR relay controls 601 IBM accessory equipment series for master time controls 601
356 Dayton computing scale; short column, 15-30 lbs. 360 ITR secondary clock series; gauge type 370 ITR secondary clock series; marble dial 380 ITR secondary clock series; skeleton dial X-400 International industrial scale; 10 lbs. 490 ITR electric program & secondary control equipment series X-500 International industrial scale; 40 lbs. 514 ITR card time recorder 544 Dayton porcelain scale 546 Dayton porcelain electric computing scale; 15-30 lbs. 557 Dayton computing scale, short column; 15-30 lbs. 556 Dayton computing scale, short column; 15-30 lbs. 561 - 563 17R ratchet and pawl type precision secondary movement 564 ITR polarized secondary clock movement 565 ITR double motor drive movement 566 ITR double motor drive movement 567 ITR seconds beat
360 ITR secondary clock series; gauge type 370 ITR secondary clock series; marble dial 380 ITR secondary clock series; skeleton dial X-400 International industrial scale; 10 lbs. 490 ITR electric program & secondary control equipment series X-500 International industrial scale; 40 lbs. 514 ITR card time recorder 544 Dayton porcelain scale 545 Dayton porcelain electric computing scale; 15-30 lbs. 554 Dayton computing scale, short column; 15-30 lbs. 555 Dayton electric scale 561 563 ITR ratchet and pawl type precision secondary movement 564 ITR polarized secondary clock movement 565 ITR single motor drive movement 566 ITR double motor drive movement 567 ITR seconds beat movement series 568 IBM tower clock movement 569 IBM tower clock movement 592 Toledo porcelain scale 601 ITR relay controls 601 International gravity scale series; 24" dial, 450-41,000 lbs 601 International dormant scale series; 24" dial, 700-2500 lbs.
370 ITR secondary clock series; marble dial 380 ITR secondary clock series; skeleton dial X-400 International industrial scale; 10 lbs. 490 ITR electric program & secondary control equipment series X-500 International industrial scale; 40 lbs. 514 ITR card time recorder 544 Dayton porcelain scale 545 Dayton porcelain electric computing scale; 15-30 lbs. 554 Dayton computing scale, short column; 15-30 lbs. 556 Dayton electric scale 561 563 ITR ratchet and pawl type precision secondary movement 565 ITR polarized secondary clock movement 566 ITR double motor drive movement 567 ITR seconds beat movement series 568 IBM tower clock movement 569 IBM tower clock movement 592 Toledo porcelain scale 600x ITR relay controls 601 IBM accessory equipment series for master time controls 601 International gravity scale series; 24" dial, 700-2500 lbs.

60xITR relay controls601IBM accessory equipment series for master time controls601International gravity scale series; 24" dial, 450-41,000 lbs601International dormant scale series; 24" dial, 700-2500 lbs.
601IBM accessory equipment series for master time controls601International gravity scale series; 24" dial, 450-41,000 lbs601International dormant scale series; 24" dial, 700-2500 lbs.
601International gravity scale series; 24" dial, 450-41,000 lbs601International dormant scale series; 24" dial, 700-2500 lbs.
601 International dormant scale series; 24" dial, 700-2500 lbs.
601 International dormant scale series; 24" dial, 700-3000 lbs.
601 International dormant scale series; 24" dial, 700-5000 lbs.
601 International dormant scale series; 24" dial, 2500-11,000 lbs.
601 International abattoir track scale series; styles 88-99
601 International ceiling suspension scale series; styles 100-105
601 International suspension dormant scale series; styles 106-111
601 International depot & warehouse scale series; styles 140-145
601 International depot & warehouse scale series; styles 150-155
601 - 602 International industrial truck scale series; styles 160-169
602 International dormant scale series; styles 170-174
602 International dormant scale series; 24" dial, 5500-11,000 lbs.
602 International gravity scale series; 18" dial, 5500-65,000 lbs.
602 International depot & warehouse scale series; styles 180-189
603 International market scale series, 24" dial; 300-1200 lbs.
604 International bench scale; 24" dial, 300-1200 lbs.
605 Intern'l all-purpose dormant scale; 24" dial, 250-1200 lbs.

606-9	ITR duplicate distribution equipment
607	ITR adapter equipment
608	ITR seconds beat secondary control
611	IBM electronic transmitter series for time systems
613-2	ITR time elimination panel for metal case job time recorders
618	IBM electronic transmitter signal amplifier
619	IBM capacitor coupling unit for electronic time systems
62x	ITR charging boards
621	ITR daily recorder; 6 registrations, 21 employees
623 625	ITR a.c. charging board
627	ITR a. c. charging board
628	IBM electronic relay series for time equipment
629	IBM synchronous wired relay series for time equipment
631	ITR fully automatic d.c. charging board
632	ITR manual d.c. charging board
633	ITR d.c. charging board for duplicate batteries
640	ITR meter testing equipment
641	ITR sign light control
653	ITR program control series for job time recorders
654-7	IBM time elimination & signal program control
656	IBM central operations panel series for time equipment
661-2	IBM signal program control
661-7	IBM master relay & program control for time equipment
661-9	IBM wire connected master relay & program control
663-7	ITR program cabinet
664-7	ITR program control for controlling signals
